The International Air & Transportation Safety Bar Association's Eastern Region is hosting a **Luncheon/Workshop Meeting at 12:00 noon, Friday, March 24, 2017**. The meeting is being held at the Bruno-Ristorante Italiano, 158-22 Crossbay Boulevard, Howard Beach, New York 11414, (718) 322-7866. This highly rated restaurant is near JFK airport, and close to the FAA offices.

Our special guests will be:

**ALFONSO J. MONTANO**

***Chief Administrative Law Judge, National Transportation Safety Board***

Judge Montano spoke to us at a previous luncheon/workshop when he was newly appointed to the Board. He will discuss his years on the bench since then – including his most memorable experiences as a jurist.

**MARY M. MCCARTHY**

***Regional Counsel, Eastern Region, Federal Aviation Administration***

Ms. McCarthy will review the FAA's recent reorganization. What do the changes mean to the Aviation Bar?

**BRENDAN KELLY**

***Managing Attorney, Enforcement Division, Federal Aviation Administration***

Mr. Kelly will discuss the Agency's current Enforcement Program. How does the Agency determine whether remedial action or enforcement action is appropriate when a violation may have occurred?

We invite all interested parties to attend. You can sign up to attend the Luncheon online at [www.iatsba.org/events/eastern-region-luncheon](http://www.iatsba.org/events/eastern-region-luncheon), or by completing and returning the attached form along with a check.

Please inform us as soon as possible if you are interested in joining us, so that we have an accurate count for the restaurant.
